

AIRSIDE Wins Gold Award in “Best Futura Project” Category at MIPIM Asia Awards 2020

(Hong Kong, 28 January 2021) Nan Fung Group is delighted that AIRSIDE, its landmark commercial project in the Kai Tak area, has been awarded the Best Futura Project – Gold Winner at the MIPIM Asia Awards 2020 – the leading regional property awards known as the “Oscars of Asia Pacific real estate world”.

About AIRSIDE

AIRSIDE is a 1.9 million sq. ft mixed-use commercial development. The 47-storey building comprises an over 30-storey Grade A office and a multi-storey retail complex with an interconnected underground shopping street. Embracing a new urban lifestyle concept of wholeness, AIRSIDE invites everyone and the community to gather at a place where you can be yourself and connect to others and nature. AIRSIDE is also advocating sustainable green lifestyle supported by the unique facilities, making it one of the most environmentally-friendly landmarks in town. The project is set to open in Q4 2022.

About MIPIM Asia Awards

Founded in 2007, the MIPIM Asia Awards celebrate the most innovative and technically impressive property developments from across the APAC region. This year, the judging panel of 17 industry experts reviewed a total of 114 entries, which were whittled down to the final 33 winners, drawn from eight countries.
